### Fibre, wheels, and lunch provided!

Have you always wanted to learn how to use a spinning wheel to make your own yarn? Well, now you can! Join us for a one-day workshop in County Clare that will introduce you to the joys of handspinning. We will cover all the basics:

- How to choose the fibre you need to spin the yarn you want
- How to wash wool and clean other fibres such as alpaca
- How to use hand carders and drum carders to prepare your fibre
- How to use a spinning wheel
- How to ply your singles and wind your plied yarn into a skein
